BEVERLY HILLS HIGH

A school for stars
This is the school from the television show Beverly Hills 90210. Most of the students come from 
rich families and some of them have famous parents. People from Hollywood sometimes go to Beverly Hills 
High to look for future actors.

School life
There are lots of good things about going to this school: there are two theatres, a television studio 
and a radio station. The students make TV programmes and films in their drama classes. The biggest event 
of the school year is the school dance, or prom. Everyone at Beverly Hills High travels to the prom in a 
limousine!

Travelling to school
In California, children can learn to drive three months before their sixteenth birthday. Lots of 
students at Beverly Hills High have their own cars but they have to pay a lot of money to park their cars in 
the school car park.

What the kids think
Most kids enjoy going to Beverly Hills High because it is fun and there is lots to do. But some kids do 
not like the school if their parents don’t have enough money to buy them a fast car and expensive clothes.

Dear Mr Smith,
Can I play in a red shirt at the game against the team in the town of Alpo next week? There are no clothes shops here in my village so I can’t buy a white one. I have black shorts, so that’s not a problem.
Giovanni Pelucci

Giovanni,
If there are no clothes shops in Vittoria, you must order one from ITTC. They’ll post a white one to you quickly. Get a small one not a large one. I’ll pay for it.
I’m sending you the form.
Mr Smith
